Employees' Choice Awards Shine the Light

At Crystal Run Village, Inc. when a staff person has consistently gone above and beyond the call of duty, when “thank you” just isn’t enough—appreciation for a job well done goes to a higher level with—the Employees’ Choice Award. As is tradition, the agency’s more than 800 employees are given the opportunity to nominate a co-worker whose excellence deserves to be acknowledged with the award. The process culminates every December at the organization’s annual holiday party with the announcement of those selected by their peers.

Crystal Run Village staff receiving the Employees’ Choice Award in 2009 includes Kwame Sledge, Walter Hernandez, Thomas Walker, Alasana Dumbuya and Iona Moore. All make a positive difference each and every day; whether it is in direct support, service coordination or administrative work, the honorees are passionate champions for those served by the agency.

Crystal Run Village, Inc. has been creating and providing services for the independence, productivity and enrichment of the lives of people with intellectual disabilities for 50 years. With an operating budget of approximately \$38-million, the agency provides support in the form of housing, programs for learning and self expression, opportunities for employment, community inclusion and recreation.
