Fandl Joins Agency Board

Middletown – Longtime child advocate Pam Fandl of Middletown has been elected to the Crystal Run Village, Inc. Board of Directors. Crystal Run Village is a private not for profit organization dedicated to the delivery of individualized services for people with intellectual and other developmental disabilities living in Orange, Sullivan and Rockland Counties.

Fandl joined Ages & Stages, LLP in 2000 as Ongoing Service Coordination Supervisor, where she is involved in therapeutic and educational services that help children and families grow and reach their potential. Her responsibilities there are to children, ages birth to 3 years, who are experiencing developmental delays. Previously she held the position of Child Associate for the Mental Health Program at Pine Bush School District, working for 12 years with children at-risk to identify students with emotional issues for the purpose of increasing their self-esteem.

Crystal Run Village has been providing services for the integration and empowerment of people with disabilities for over 50 years. With an operating budget of approximately \$38-million and over 800 staff people, the agency provides support in the form of housing, programs for learning and self expression, opportunities for employment, community inclusion and recreation - all for the purpose of an individual's greater independence and contribution as a citizen.
