Crystal Run Village Finalist in Toyota 100 Cars for Good Program

Crystal Run Village, Inc. has been selected as a finalist in the Toyota 100 Cars for Good program, which will award new vehicles to 100 deserving nonprofit organizations based on votes from the public beginning on May 9, 2011. Toyota 100 Cars for Good program is showcasing five non-profit organizations each day over 100 days on its Facebook page, *facebook.com/Toyota*. Visitors to the page can vote once a day for the organization that they feel is most deserving of a new Toyota vehicle. The Crystal Run Village Open Vistas Day Habilitation program will be highlighted for voting on July 8th. Friends are encouraged to visit the page in support of Open Vistas in its quest for a new Toyota vehicle.

Open Vistas Day Habilitation program makes community inclusivity possible for adults with intellectual disabilities and spectrum disorders. The program achieves its commitment to nurturing personal capacity through partnerships with community organizations, volunteering, peer interaction and recreational activities. Winning the new vehicle will make it possible for the people served to achieve greater involvement in their communities so that they may realize full and meaningful lives as contributing and valued citizens.

For more information about Crystal Run Village, Inc., go to <http://www.crvi.org>. Crystal Run Village, Inc. is an independent non-profit provider of human services to the residents of Orange, Rockland and Sullivan Counties in New York State. Programs include: Group and Independent Supportive Residential Opportunities in the Community; Service Coordination; Day Habilitation; Vocational Services; Job Placement; Respite House; In-home Residential Habilitation; In-home Respite Care; HUD Supportive Housing for Families; Supportive Case Management; Invisible Children's Project; Shelter Care Plus, and Community Development for the Homeless.

Toyota (NYSE: TM) established operations in the United States in 1957 and currently operates 10 manufacturing plants, including one under construction. Toyota directly employs nearly 30,000 in the U.S. and its investment here is currently valued at more than \$18 billion, including sales and manufacturing operations, research and development, financial services and design.

Toyota is committed to being a good corporate citizen in the communities where it does business and believes in supporting programs with long-term sustainable results. Toyota supports numerous organizations across the country, focusing on education, the environment and safety. Since 1991, Toyota has contributed more than \$500 million to philanthropic programs in the U.S.
